If he sees us together, he will get mad since he told me not to get involved with you.
Don't you think he'd be madder if he sees us like this?

Anyway...,
Don't be too late.
I don't want to be worried.
Ah !
He told you not to get involved with me ?
Yep he told me not to even talk to you
He told me that you have got bad quality n you

Janime
Ah ?
Why does he look hurt ?
He said far worse words when they were fighting...

It's morning
You said that you met master at the train station did you not ?
Why were you there ? Where's your hometown? If your parents passed away where were you raised? I am just curious

Pretends not to care

Soran Lee
Don't throw food away like this
깜빡!
Or you will be punished in the end of your life
According to folk lore you get to pick each of these up and eat in Hell
I just don't like beans That's all
Is that so ?
Besides I don't believe in Hell

You don't believe in Hell ?
I don't feel that Heaven and Hell exist
Yeah when you die it's the end period
I think.....
Whether you are a good or a bad person, it's the ultimate end when you die.

That's strange.
You spent most of your life in a nunnery. Yet, you don't believe in Christian's concept of religion ....

탁
덥석
I was so nervous at the moment that ...
How much does he know?
탁 탁

I put
a cigarette into my nose.
Don't overreact
He probably did some kind of background search on you!

Soran s one year older

JanimeS

Um
I don't really know well since
I don't have a family
But don't brothers generally fight to death ... , no ?
Hey ?
Look
They are on the same boat

So, you really like that old man ?
Your brother's not an old man !
Dirty, disgusting, oily... slow, perverted !
That is an old man !
Year of 1945 in Seoul
Ma'am ! Can I have a spoon over here?
We don't have spoons ! Those wooden chopsticks are all

Metal spoons were taken to melt
I know they are at war ....
But even took spoons ?! Crazy maniacs !
Anyway s it really okay to skip school ?
Go to school then what ?
At a time like this
Not many bother to go and not many are even willing to teach
Ah it s getting sad
Let s just eat

Look who is here
The young master,
Hu Sou kun
Long time no see
Shouldn't you be at school ?
What a bad student you are
Yes
I am feeling the quality of an old man from him
Dirty disgusting
And perverted
How is your mother doing ?

He smells cheap, too.
I haven't seen her for a while.
What's making her stay inside ?
Olly, too ....
Huh ?
His hands are thick and large.
Eh ?
I hear she has changed much....
His hands . . What the ....

By the way ....
You are slowly...
Beg nn ng to resemble
your mother very much

He was a pig.
I can tell you that.
Uh ?
Hey ! Wait for me .
Go home
What?
We are supposed to
Next t me
No! I want to go there today !
Leave me alone !

Can I have a spoon over here ?!
No..., I told you. We don't have them

Most importantly she was strong enough to have carried me here from the station
So you are just going to leave her act like this ?
Master are you really going to marry her ?
No way

She s a k d
I could probably even accept her as a step daughter I am that old
Just let her be
She s a k d
What could she poss bly do ?
But uh

Should we move out ?
This way, please.

So that s it That is the quality you are born with
Aren't you being too harsh
Shut up !
What ?
You heard me

No !
I am going to say what I have in my mind
Since you are talking about parents,
I heard that this family earned their money through illegal importing. And what your grandfather did was that he built a bank and exploited others for profit.
And what are you doing now ?
Do you really think you are better than him ?

Is that so ?
Now that you dec ded to sp ll your beans
